## CAP TRANSFERS – Civil to Mining

If you have extensive operator experience in the civil industry and want to start a mining career EET can transfer civil tickets into Black Coal/mining competencies.

You will need to have extensive experience in operating DUMP TRUCK, EXCAVATOR, DOZER, GRADER, FRONT END LOADER, ROLLER, FORKLIFT and be able to provide verify currency and evidence of your skills for each machine you are transferring (e.g. Civil/OHS Licence/s, logbooks, letters of reference, resume etc).

The process will involve a half day of Generic Mobile Equipment theory and assessment followed by a skills challenge test on the nominated mobile equipment at our training site.

You will be required to demonstrate the practical skills required by the Mining Industry according to the performance criteria set out in the Unit of competency of the mobile equipment you have chose to be assessed on.

A maximum of four different machines may be nominated for assessment in one day.

**IMPORTANT: This is not a training session it is skills assessment only.**

### Cost

#### SINGLE CAP Transfer

\$850.00

#### Multiple CAP Transfer

\$850.00 For first machine assessment.

\$400.00 For each extra machine assessment.
